### **PET POLICY**

Realizing that your pet is an important part of your family, we have designated 2 cottages “pet friendly”, cottages #A & #1. There is a limit of 2 animals in the cottage.

We would ask you to adhere completely to the following house rules.

- 1) Pets are welcome to swim from **your dock only**. You must maintain complete control at all times. Aside from swimming, dogs must be on a leash at all times as we do have wild animals, squirrels & chipmunks that will tempt your pet to run. Because we are a family oriented setting, there are often young children that may also tempt your pet to roam. **Pets will not be allowed at the common beach area nor on any other part of the grounds.**
- 2) You must stoop and scoop wherever it happens. Dogs are to be walked out the back roads off the property only. There is a large field area and trails close by where you may walk or run your dog.
- 3) Respect our furniture & bedding please...there will be an extra charge levied if our housekeeping staff deems it necessary to clean for excessive pet hair or dirt on furniture. We will provide covers to throw on the furniture should your dog happen to sneak up during your absence. Please close bedroom doors not in use to deter your pet from “settling in”.
- 4) Pets must be crated if you should leave your cottage for extended periods of time.
- 5) Other animals to be discussed upon reservation on an individual basis, please discuss your pet with whomever you make your reservation with.
- 6) Dogs that shed excessively should sleep in a crate. We ask that you please be extra diligent in keeping our cottages clean and as hair free as possible upon departure for the sake of the next guest who may have allergies. We do provide brooms and vacuums in each cottage.
- 7) There is a charge of \$20.00/day or \$50/week for each pet.

We reserve the right to exclude any aggressive, destructive, or noisy dogs from Woodland Echoes, at anytime during your stay.

Thank you in advance for adhering to these rules. Remaining diligent and respectful when bringing a pet to Woodland Echoes will allow us to keep this policy in place and continue to welcome the pets in your family along for your vacations with us.

We look forward to hosting many wonderful vacations this year and into the future.
